We look forward to working together with you to support your daughter in the best way possible.
Pastoral Care

Having happy girls who are known, feel cared for and valued as individuals is important to us. Once girls have a circle of friends to support them and feel that they belong, they are set to go about the ‘real’ business of school – and learn!

Sharon Anderson, Head of Senior School, leads our Pastoral Care team. She is supported by the Year Co-ordinators who, in turn, work with the House Tutors who have daily contact with the girls. We look forward to working together with you to support your daughter in the best way possible. How a girl is feeling in herself ultimately impacts her learning. Should you have any concerns of this nature, please contact your daughter’s Year Co-ordinator or Head of Senior School directly. Each member of the Pastoral Care team has voicemail, so feel free to leave a message if they are unavailable and they will return your call at their earliest convenience.

We feel that the home-school relationship is a very important one. If your daughter is new to the School her House Tutor will phone you around the first mid-term break to introduce themselves and report on the way in which your daughter is settling into PLC life. Additionally, your daughter’s Year Co-ordinator or Head of Senior School may call from time to time to keep you informed.

Learning

To ensure your daughter is making appropriate progress in her learning, we have a team of staff dedicated to academic tracking and monitoring. This team is led by Mrs Neesha Flint, Director of Learning, who in turn works with a team of Learning Co-ordinators. They will monitor each girl’s progress and will co-ordinate any adjustments to ensure they are tracking well. For any concerns about your daughter’s academic needs, please contact the relevant Learning Co-ordinator or Neesha.

Senior School Structure

The needs of girls in Year 7 are very different to those of girls in Year 9 and certainly those of girls in their senior years at school. In order to cater specifically to the needs of all girls, our School is organised into pairs of year groups. Our approach and programmes are designed around these concepts:

Develop ME – Years 7 and 8
Developing skills and understandings.

Define ME – Years 9 and 10
Defining strengths and weaknesses and making choices.

Distinguish ME – Years 11 and 12
Distinguishing themselves as individuals and as learners.

Year, Learning and Wellbeing Co-ordinators rotate from one year to the next within their ‘hub’. This means that they are able to specialise in the needs of girls at this stage of their development, ensuring the delivery of high quality pastoral care, academic tracking and specifically targeted programmes.

Your Daughter’s First Day

If your daughter is starting at PLC at the beginning of the year, details of her first day will be provided at Welcome Morning. Essentially, your daughter should arrive at school at around 8.15 am and go to her House Tutor room where her Tutor will be waiting to greet her.

For girls who commence their PLC experience at other times throughout the year, they should arrive at 8.15 am and come to Reception at the View Street entrance to the Senior School building which is adjacent to the Norfolk Island Pine tree. The Head of Senior School, your daughter’s buddy and Year Co-ordinator will be there to meet and welcome her.
The School Diary

This is an important means of communication between home and School as well as being vital in assisting your daughter to develop sound organisational skills. All girls are expected to write their homework into their diaries and to check it off as it is completed. For Year 7 and 8 girls, we also ask that they record the time taken to complete the set homework, so that adjustments can be made if necessary.

House Tutors will check and sign diaries each week for Year 7 and 8 girls, and each cycle for Year 9 girls. Girls in these year groups will also be required to have their parents sign their diary to acknowledge your awareness of your daughter’s diary use.

Year 10, 11 and 12 girls are expected to manage their diary use independently.

Homework

The Homework Policy and Procedures document is an important guide for parents and students in managing homework and know what is expected.

As a general guide the following applies:

- Year 7 – 70 minutes per weeknight
- Year 8 – 80 minutes per weeknight
- Year 9 – 90 minutes per night
- Year 10 – 10 hours per week
- Year 11 – 15 hours per week
- Year 12 – 18 hours per week

Please ensure that you are aware of the School’s Homework Policy in its entirety.

Learning Hub

Each day after school our Library provides a Learning Hub to aid students with their studies. These hubs will be staffed by past PLC students who did very well academically as well as staff and current students.

The Learning Hub will be open in the Library every Monday to Thursday inclusive from 3.30 pm to 7.00 pm.

Girls from Years 7 to 12 can attend any night but targeted help will be given on the following nights:
Attendance at School

All students are expected to be present at School for the entirety of each term. This includes Speech Night. No student has permission to take time out of School at the beginning, during or at the end of a term for recreational purposes and our policy is not to provide schoolwork or to re-negotiate assessments. Requests for leave in extenuating circumstances should be forwarded in writing to the Head of Senior School.

Drop Off and Pick up of Students

The Senior School has two dual lane slipways; one on View Street and the other on McNeil Street. Please note there is no parking in the drive through at the beginning and end of each School day.

In the interests of a congestion free area, we request that parents time their daughter/s collection such that there is no need to wait or park in the slipway. The entrance to the slipways should remain free to enable vehicular access at all times.

Picking your Daughter up during the School Day

If your daughter needs to leave the School during the day for any reason, she needs to be signed out by her parent/guardian at either the View Street or McNeil Street Receptions.

Late Arrival at School/Absences

If your daughter has an appointment and will arrive late for school, please notify either: Lyn Taylor, Year 11 and 12, on 9424 6494 or Lisa Graham, Years 7 to 10, on 9424 6579 as soon as possible. On her arrival at school, your daughter will need to be signed in by a parent or guardian on the sheet provided at either reception desk. This also applies during the School day when going to or from appointments.

We also request that you call Lyn or Lisa if your daughter is absent from school. It is our practice to communicate with parents if a student is absent and we have not been informed. If your daughter is absent from class in Period 1 without parental notification, you will be notified by SMS. Your call to us will help to avoid any confusion.

If your daughter is absent for three or more consecutive days, we ask that you provide the School with a medical certificate.

If a Year 12 student chooses to be off campus for a study period, she will still need to be signed in and out by a parent or guardian until approval has been given to the student for signing in and out privileges.

Late Pick-ups

If your daughter needs to wait for you after school, we ask that she wait in the Library which is open until 7.00 pm Monday through to Thursday. While the Senior School buildings are open until 5.00 pm, they are unsupervised after School hours. Given their level of maturity, Year 12 girls may stay in their common room until 6.00 pm but, again, it is important that parents note that no supervision is provided. Should you be unable to collect your daughter until after these hours, we request that girls wait in the Boarding House.
Travel to and from School

Students travelling to school by bus, train, bike or walking should cross Stirling Highway at the corner of McNeil Street where a crosswalk attendant is on duty each morning and afternoon. Students crossing View Street should cross at the designated area outside the Boarding House. Care must be taken to remember this is NOT a crosswalk.

Students are discouraged from using the laneway from Stirling Highway to the school. No responsibility can be taken to ensure the safety of students if they do not cross Stirling Highway at the attended crossing.

Information about bus and train services can be obtained by accessing the Transperth website www.transperth.wa.gov.au and going to the Journey Planner to ‘Plan Your Journey’ or phoning 136 313.

There is also a regular bus service for girls who live south of the river. Girls who wish to use this service must obtain a ticket from Senior School Reception (the cost will be charged to your daughter’s account) and have it clipped by the bus driver when boarding the bus.

For girls who catch the train to Cottesloe train station, the school bus leaves the train station each morning at 8.20 am to bring the girls to school. Should they arrive earlier than this, and wish to walk to school, this is acceptable but care must be taken to cross Stirling Highway at the intersection of McNeil Street as above.

Cyclists

The wearing of approved helmets is compulsory. Students are expected to ride carefully at all times and to obey the rules of the road. Bicycle racks are located on the verandah on the southern side of the Science/Arts/Technology building. All bicycles are to be parked in the racks provided and are not to be used without permission of the owner.

Uniform

Our School uniform is something we pride ourselves on and is an important part of the heritage and culture of PLC. Girls are expected to wear the uniform with pride and we ask for your support, by ensuring girls arrive at School appropriately attired.

Summer Uniform

- PLC panama
- White or striped ribbon, white scrunchies, white headbands or clips
- White blouse
- PLC jumper
- PLC blazer
- PLC skirt
- White School ankle length socks
- Plain black lace-up shoes

Winter Uniform

- PLC beret (optional)
- Navy blue, Blackwatch tartan or striped ribbon, navy blue scrunchies or navy blue or black headbands or clips
- White blouse
- PLC tie (as of 2017, girls in Years 7-11 may wear the navy blue Senior School tie; Year 12s wear the designated Year 12 tie).
- PLC green jumper (Years 7-11), or navy leavers jumper (Year 12)
- PLC blazer
- PLC skirt
- Black tights
- Plain black lace-up shoes
- Scarf (if worn) - Blackwatch tartan

Year 12 girls may wear their casual leavers’ jumper from mid-term break in Term 3 until the end of the School year.

Throughout the year, if warmth is required at a formal occasion or function at school such as Principal’s Assemblies, blazers must be worn as the outer garment. This applies to all girls from Year 7 to 12 including when Year 12s choose to wear their casual leavers’ jumper. Scarves and berets are optional uniform items.

The PLC tie is an optional item of uniform but must be worn for all formal school occasions including Principal’s Assemblies. Girls in Years 7 to 11 may wear the Senior School tie. Year 12 girls have a tie specifically designed for their exclusive use in recognition of their senior position in the School.

On all public occasions including walking in the streets and shops and on public transport (including ‘special buses’) students are to wear panamas in summer. The blazer must be worn as the outer garment in cool weather in public. During warmer months, the blouse may be worn as the outer garment.
Sports uniform may be worn to school for early morning training or if girls have PE in Period 1. In general, girls are required to change back into their school uniform after PE or Dance lessons. The exception to this is where girls have PE in Period 5. In this case, girls may depart school in their PE uniform, if they have School related training or games after school. In readiness for IGSSA fixtures scheduled for ‘away’ games after school, girls may change into their sports uniform at lunchtime.

**Sports Uniform**

- PLC sport shirt
- official House T-shirt
- PLC navy shorts or navy skort
- white socks
- white soled sport shoes
- PLC tracksuit
- PLC hooded fleece
- navy nylon sports bag
- PLC bathers and cap
- PLC white sports hat (compulsory in Term 1 and 4)
- striped interschool shirt

**Dance Uniform**

- PLC black leotard
- ¾ black leggings
Uniform Shop

Tuesday and Thursday 12.30 pm – 4.30 pm
Wednesday 8.00 am – 1.30 pm

Senior School girls have the opportunity to walk to the Uniform Shop at lunchtime on Wednesdays to purchase any items they require. Girls in Years 7 to 9 will be accompanied by Year 12 Student Counsellors. They meet at View Street Reception at the beginning of lunchtime for departure.

In addition, socks, tights and ribbons are available for purchase at both View Street and McNeil Street Receptions. Girls complete a form and items are charged to their account.

Jewellery

Girls are allowed to wear the following jewellery:
• a watch
• one earring in the lobe of each ear. Small round plain gold or silver studs (without stones), or small pearl studs are acceptable.
• plain gold or silver sleepers are also acceptable.

Should your daughter choose to wear jewellery other than that specified, it may be confiscated. In this case, it will be stored in safekeeping and returned at the end of the term.

Name Badges

All students and staff at PLC wear name badges. If your daughter misplaces hers she will need to collect a white sticky label and write her name clearly on it for the day. Should her name badge be lost, she will need to order a new one at either Reception. The cost will be charged to her account.

Hair and Make-up

Girls are not permitted to wear make-up or nail polish at school. Hair should be neatly brushed and tied back if it is longer than shoulder length. A ribbon must be worn and be the appropriate colour to the term (see ‘Uniform’).
Senior School Receptions

Our Senior School Administration team is happy to take your calls should you have any queries of a general nature. Lisa Graham or Lyn Taylor will refer you to the appropriate person if they are unable to assist you. If you have anything to be delivered to your daughter, please leave it at the following receptions:

Years 7 to 10 – View Street
Year 11 and 12 – McNeil Street

Both receptions are open from 8.00 am - 4.00 pm Monday to Friday.

Student Phone Calls

We believe it is unnecessary for girls to have a mobile phone. Should they wish to call home during the day, they may use the student phone at either Reception. If parents choose to allow their daughters to have a mobile phone the following applies:

Years 7 to 10
Mobile phones must be turned off and locked in their locker for the entirety of the school day. Any girl who carries or uses her phone during the School day will have it confiscated. Parents will be called and the phone will remain in safe keeping until such time it can be collected by a parent.

Years 11 and 12
Students may carry their mobile phone with them during the school day but it should not be visible during recess and lunch times or between classes.

Students may only use their mobile phones for educational purposes with the express permission of the class teacher.

If a student chooses to have her phone in class, it must be switched to silent and placed face down on the desk.

Year 12 students may use their mobile phones strictly in the Common Room only.

Student Cards

Each girl is issued with a student card. The card can be used to print, photocopy, purchase food from the Cafeteria or travel by public transport. The School issues credits for printing and copying. To enable your daughter to purchase food from the Cafeteria, please follow the instructions under ‘Cafeteria’. For transport queries including routes and adding funds to the card, please go to www.transperth.wa.gov.au or call 136 213.

Emailing Your Daughter

If you choose to contact your daughter via email, it is important that you be aware that girls are only able to access mail for personal reasons during break times. Likewise, as girls in Years 7 – 10 are not permitted to use their mobile phones during the school day, it is more reliable for you to contact View Street Reception. Your message will be conveyed to your daughter as soon as possible.
How to Purchase Lunch

This is really very easy to do! PLC has a “cashless” system in the cafeteria. Girls use their student card to purchase their food and drinks. Girls simply line up and move past the self-service counters to collect their food before moving through to the checkouts where their card is swiped.

Parents need to use the following instructions to load money onto their daughter’s card:

- Go to www.flexischools.com.au
- Click REGISTER NOW and enter your email. You will receive an email with a link to an online form.
- Click on the link and choose a username and password and complete the form. You can add more children entering their student ID number from their student card.
- Top up the account – Visa and Mastercard are preferred.

If you have any queries, please contact either Reception.

Cafeteria

The Cafeteria is open Monday to Friday at 7.00 am for breakfast and recess and lunch times. Bev’s Café is open Monday to Thursday before and after school as well as during the day for healthy snacks and drinks. Cash and student cards are both accepted at this café.

Lost Property

To avoid loss, we ask that all items be labelled clearly with the student’s name. Should an item be lost, girls should first retrace their steps to try to track down their missing items and then check at both Receptions and other locations such as the PE offices, Drama Centre etc.

All girls are provided with a locker large enough to store all belongings together with a lock for security. The School cannot accept responsibility for loss of items where lockers are left unlocked. Please reinforce with your daughters the importance of keeping belongings secure.
**Laptops**

All girls are issued with a laptop computer prior to commencing at PLC. Laptops must be carried in the bag provided, or in a similar approved bag or case. During breaks across the day, laptops must be stored and locked in your daughter’s locker. If your daughter wishes to use her computer at these times, she can do so in the library.

Any laptops found unattended during the day will be taken to the Technical Centre. In this case, your daughter will be issued with a form to be completed and signed by a parent before she can be re-united with her laptop.

Laptops must be charged overnight at home ready for use the next day.

All girls’ laptops are monitored during term time in School hours. Should the Head of Senior School be alerted to any concerns by the company providing this service, she or the relevant Year Co-ordinator will speak with the student about this issue and, depending on the concern, may also contact home. In general, if girls choose to use technology for any other reason than educational, access to the internet is removed for 1-2 weeks. Alternative arrangements are made by teachers to ensure the student’s education is not jeopardised.

---

**Parent Connect**

This electronic system enables parents to access feedback on their daughter’s assessments and progress as well as lesson resources. Parents will need a username and password to access the system.

To obtain this, visit home.plc.wa.edu.au. Click on the “Parent” link then choose “Password New/Reset”. Make sure you use the email address you provided the School to receive the Links newsletter.

The staff of One Degree are available to support girls as well as parents. If you have any queries or you wish to make an appointment to learn about using technology, contact the staff in One Degree on 9424 6410 or email 1degree@plc.wa.edu.au
Learning
Reporting and Assessment

We have a policy of ‘continuous reporting’, which means that feedback is provided frequently to keep parents informed of their daughter’s progress.

The following reporting processes take place:

**Parent/Teacher/Student interviews**
These offer parents an opportunity to meet with their daughter’s teachers to discuss her progress. We strongly encourage girls to attend so that they are part of the discussion and can ‘own’ their own learning.

They take place at the following times during the year:

- Year 7: Monday 13 March
- Year 8: Wednesday 1 March
- Year 9: Monday 20 March
- Year 10: Thursday 6 April
- Year 11: Tuesday 7 March
- Year 12: Thursday 9 March

**Semester 1 Written Report**
- Year 7: End of Term 2
- Year 8: End of Term 2
- Year 9: End of Term 2
- Year 10: End of Term 1
- Year 11: Term 2
- Year 12: Term 2

**Semester 2 Written Report**
- Years 7 – 9: End of Term 4
- Year 10: End of Term 3
- Year 11: Term 4
- Year 12: Term 4

Reports will be available to parents online.

If you have concerns about your daughter’s academic progress, please contact her Learning Co-ordinator or Director of Learning.

Parents are also able to monitor their daughter’s progress during a learning period. Teachers post the results of girls’ assessments in their marks books and these are made visible to parents through Parent Connect. Parents will be notified of a new entry via an automated email message. One Degree runs workshops across the year for parents who may need assistance in accessing Parent Connect. The instructions for accessing marks and feedback relating to your daughter’s assessments can be accessed via the link below:

https://connect.plc.wa.edu.au

**Co-curricular Programmes**

There is a huge range of activities offered in our co-curricular programme including debating, dance, art, music, drama, service and sport. These are included as part of our commitment to developing the whole person.

There is also a range of co-curricular activities from yoga to sailing or surfing to name a few which are offered to girls each term. Girls need to sign up for these in advance. There is a fee attached to these activities.
Physical Education Queries

PLC participates in the IGSSA (Independent Girls' Schools' Sports Association) competition structure. Age groups for teams are combined ie Year 7/8s play together, as do Year 9/10s and Year 11/12s.

Throughout the year, students will receive emails from “Sports Information” advising them of upcoming IGSSA and non-IGSSA co-curricular sports with trial dates and training schedules. These emails will also have a “Sign up Link” - click on this link and you will be taken to the iDocs sign up page for the relevant sport. A copy of the email will be sent to parents of Year 7, 8 and 9 girls for your information, but students (not parents) are to complete the online signup questionnaire.

Commitment is important and students are expected to attend all trials. Should girls miss trainings or games without ample notification, they may be withdrawn from the team.

Blackwatch Club

The Blackwatch Club provides an opportunity for involvement in sport and physical activity for girls in Years 7 to 10 who are not selected for IGSSA sport teams or who prefer the alternative activities. It is compulsory for all girls in these year groups to be involved in either IGSSA or Blackwatch Club every term.

For further up-to-date information regarding IGSSA sports, including sport schedules, trial dates, please visit our IGSSA wiki page. This can be accessed via the PLC home page http://home.plc.wa.edu.au and by clicking on the 'Sports IGSSA' link and logging on to the Wiki.

2017 IGSSA Sports

Term 1 Volleyball, Tennis, Swimming, Cricket (Years 7/8 only) Rowing (Years 9-12)
Term 2 Hockey, Netball, Cross Country, Rowing (Years 9-12 and Coxswain Year 8)
Term 3 Basketball, Soccer, Athletics
Term 4 Softball, Water Polo

If you have any questions, please contact Ms Pearce, Head of Sport, at Anette.Pearce@plc.wa.edu.au or the Physical Education Assistant, Louise Smith on 9424 6502 or sports@plc.wa.edu.au.

Music Queries

Please contact the Music Administrative Assistant, Miss Jessica Sardi on 9424 6512 or Jessica.Sardi@plc.wa.edu.au

Health Centre

If students are unwell during the day they must go to the Health Centre, where qualified staff are in attendance. Before doing so, they must collect a yellow slip and sign out from Senior School Reception. Should the staff in attendance at the Health Centre deem it necessary for your daughter to go home, they will call parents. **No student will be allowed to go home because they are unwell without the permission of the School nurse.**
